It's a big world out there—so many destinations to visit, so many ways to get there, so many places to stay. How to choose? Answering that question is the aim of T+L's World's Best Awards, the annual survey where we invite you, our trusted, globe-trotting readers, to rate your recent trips to identify the leaders shaping travel today by providing top-notch service and remarkable experiences. This is the 22nd edition of World's Best, with more than 300,000 respondents submitting ratings in categories ranging from cities and hotels to airlines and destination spas. As always, the results surprise, delight, and inspire. (For more details on how the survey was conducted, turn to page 81). Thanks to everyone who took the time to participate, and congratulations to all the 2017 winners—bravo!
